

Proposal by the ILGA World Board

At the previous general meeting of ILGA World in 2019 in Wellington, the Executive Board was tasked to develop a system for tiered membership fees for ILGA World.

The ILGA World Executive Board therefore proposes to revise the membership fee structure of ILGA World in the following way:

- ILGA World operates in Switzerland, and we propose to fix the fees in CHF
- The fees should be tiered according to the budget of the member organisation
- The determination of the budget of the member should be based on the information given by the member.

The proposed amounts are as follows:

Budget	Under CHF 10,000	Between CHF 10,001 and 50,000	Between CHF 50,001 and 100,000	Between CHF 100,001 and 500,000	Between CHF 500,001 and 1,000,000	Between CHF 1,000,001 and 5,000,000	Above CHF 5,000,000
